Patterned learning AI

RE: Junior Frontend Engineer (JavaScript/HTML/CSS)

Dear Hiring Manager,

I saw your job posting on LinkedIn and I am contacting you to express my interest in the Junior Frontend Engineer (JavaScript/HTML/CSS) opportunity with Patterned learning AI. After reviewing the position requirements, I believe that my software engineering skills, education, and love of process improvement through AI, are a great match.

I am highly regarded for my interpersonal and communication skills, tenacity in the face of a challenge, my dedication to learning and expanding my skills, and my capacity to balance a diverse range of competing priorities in an agile workflow. I am a dependable individual who can take initiative on cleaning up and expanding projects. I am looking for a long-term position and believe I meet the requirements for the role as well as, that I would be a great fit for your team.

I would greatly appreciate your review of my enclosed resume and outlined credentials. I believe that I would be a valuable addition to Patterned learning AI and your business goals. I am available for an interview to further discuss my skills, qualifications and to discuss how I can meet your needs. I look forward to joining a team of proficient and dependable individuals.

Sincerely,

Ann Likowo Molinge
